# Senior Advisers

KUNSKAP - KOMPETENS - ERFARENHET

## Who are we?

- A network of independent consultants, each with long experience as senior line manager or specialist
- We are not consultants in the traditional sense. What differs us from other consultants is that we have done it many times over and helped others to achieve their ambitions
- Senior Advisers has more than 40 years of service

## What defines us?

- We all have own operational experience and learnt from real world experience
- We are flexible and will mobilize quickly
- We work individually or in teams, making use of our broad collective knowledge
- We are efficient with a minimal overhead
